Summary

I'm Kelvin Ogboriauphien, a self-taught frontend developer!

I'm currently proficient with CSS, Semantic HTML5 ,JavaScript ES6 features, PHP and SQL database. I have great knowledge of Git and GitHub.

I enjoy creating engagement content and communicating with other developers, to solve problems, even ones I'm not familiar with, I live to learn and to explore new things and to be better at it.

I seek a Junior Frontend Developer role that will help grow my skillset and to expose me to other tech stacks and to contribute on building amazing applications and communities.

Experience

Freelance Frontend Developer

Citizen Journalists Network

Oct 2021 - Present (7 months +)

- Contribute to design and development of client and server database applications.
- Maintain and update HTML/CSS templates on a regular basis and as required.
